By Car

There are various car parks available within Saltcoats town centre and all within a suitable distance from NACAS.

There are a limited number of spaces to the rear of the building assigned to NACAS however these are available on a first come, first served basis.

Car Park Option 1

This is a free public car park to the rear of the building however this is a popular car park due to its proximity to the town centre and therefore it can prove difficult to get a space if arriving after 9am.

The car park can be accessed from both Vernon St and Chapwell Street however to enter via Chapwell street you must drive down Hamilton Street as this area is one way only.

Car Park Option 2

While this car park is situated directly opposite NACAS, it is chargeable and therefore recommended that this be used for short stays only.

Charges are as follows:

Up to 1 hour: £0.50
Up to 2 hours: £1.00
Up to 3 hour: £1.50
Up to 4 hour: £2.00
Up to 24 hours: £2.50

Car Park Option 3

The railway station car park is also free of charge and boasts a large number of spaces. The car park is a short walk away and based on the other side of the railway line from Vernon Street. It can be accessed via Union Street. Once parked here, to get to NACAS, you must make your way to Springvale Street and follow the road over the railway line taking a left on to Vernon Street. NACAS will be located on your right.

Car Park Option 4

There is a further car park located off Chapwell Street which can be accessed by following the one way system and taking a left at the bottom of Hamilton Street. Again this car park is popular due to its town centre location. Please also note that an outdoor market is held here on Wednesdays and Saturdays and is therefore unavailable on these days.
